EOs,

When dealing with the media, please be sure to get clearance from Dakota or I to answer any questions.

I remind you that in your position you are representing ASG, and not just your campus. With that said, there are several people involved in campus politics, such as endorsing a candidate for Student Body President. If I hear anything that may hurt the credibility of ASG (such as an anti-ASG, anti-ASG's fee, or anything to that effect) and/or you are endorsing a candidate with such a stance, then I will have to ask you to step down from your position. If you foresee this happening, please let me know. I will not hold it against you, but rather I'm looking out for the credibility of *our* organization.

I have stated in the past that I am willing to fire EOs, and I have not relaxed my position if your performance is not satisfactory or if your work and vision is not aligned with that of ASG. I realize this may be coming off as stern, but I believe it's a necessary step to remind us all of the seriousness of the issues at hand.

Best,

Atul
